# Learning Ancient Greek as a modern language

4-15  
july  
2022

Do you want to renew your approach to Ancient Greek or study it for the first time thanks to a playful and innovative teaching method?

This course is an initiation into Ancient Greek in its *Attic* and *Koine* variants and will allow you to:

- assimilate the language's morphology in depth
- acquire the ability to hold an easy conversation in Ancient Greek (*Attic* and *Koine*)
- understand, without translation, an easy narrative text in Ancient Greek.

The teaching uses total, linguistic immersion in Ancient Greek and teaching techniques such as Total Physical Response (TPR), Living Sequential Expression (LSE) and participative speech.

Fees: 600 €

Duration: 55h
